MAJOR GIFTS: PATHWAYS TO GIVE

1. CORPORATE PARTNERSHIPS

Corporate partners have the unique opportunity to align their brand with the future of business. Through multi-year commitments, naming rights on studios, classrooms, and coworking spaces, as well as program sponsorships, corporations can fuel innovation while gaining visibility, workforce development pipelines, and authentic community engagement.

2. DONOR ADVISED FUNDS (DAFS)

Donor Advised Funds offer a flexible, tax-efficient way to invest in systemic change.

By directing DAF contributions to the USBC Campus Campaign, donors can amplify their impact, support entrepreneurial growth, and leave a legacy that accelerates generational wealth creation for Black communities.

3. FOUNDATIONS – PHILANTHROPIC GIVING

Foundations play a critical role in scaling solutions that close the racial wealth gap. Through programmatic funding, challenge grants, and strategic investments, foundation partners will directly advance entrepreneurship, job creation, and community revitalization — ensuring measurable outcomes and long-term equity.
